

Super Buzzard 2 (big bales only)

OVERVIEW

The name "Browns" has been synonymous with "flat 8" style bale grabs for over 50 years.

The Super Buzzard 2 is a heavy-duty bale grab.

Suitable for 2 x 800mm bales or 1 x 1200mm bale.

It is hydraulically controlled and fitted with twenty claws, fixed in a rugged steel frame with a single side bar to align the bales.

It will fit most types of tractor loader or telescopic loader.

FEATURES

- Hardwearing cast steel claws for strength
- All claws enter the bales simultaneously
- Robust box section design
- Guide rail can be mounted on either side of the frame to align the bales
- Parking leg
- Double acting hydraulic rams for greater bale penetration
- For use with telescopic handlers and tractor front loaders
- Hoses and couplings included
- Loader brackets can be welded on at manufacture or bolted on. These are sold separately
